

ARCHITECT'S CIRCLE

Inscape Publico's mission to provide professional architecture services to nonprofits and the people they serve is made possible only through the generosity of our donors. You are our partner in fulfilling our mission, and your act of giving contributes to the lives of those that are positively impacted within the spaces we create for our nonprofit partners. We have created a special way to recognize individual annual donors of \$1,000 or more through the Architect's Circle outlined below. Thank you for your continued support of our mission!

Special Instructions/Designations (see next page): _____

Designate Your Gift

Thank you for becoming a member of Inscape Publico's Architect's Circle. If you would like to designate your donation to one or more of our current projects (as of July 2016), please indicate so on the pledge form, and your gift will be targeted per your designation. Undesignated gifts will be unrestricted and used where the need is greatest.

St. John's Episcopal School: Inscape Publico created a master plan for a new school, pre-K through high school, on a plot of land adjacent to the church and current school at St. John's Parish in Siguatepeque, Honduras. The master plan is now complete and first building, the cafeteria, is under construction and will be completed in the fall of 2016. Inscape Publico is currently developing the remaining components of the master plan into the architecture that will house the children and young adults of St. John's School. www.episcopalschoolshonduras.org

Seton Center: Inscape Publico is engaged in the schematic design phase for the renovation of the Seton Center, located in Pittsburgh, PA. The Center is an intergenerational daycare facility providing child-care services and social and supportive services for senior citizens, as well as cultural and recreational activities for local communities. The Seton Center personnel are dedicated to their clients' well-being and are motivated by values that foster growth for people of all ages. www.setoncenter.com

Mi Casa: Inscape Publico designed a prototype for a net-zero energy townhome to provide affordable housing to low/moderate income families in Washington, DC. The design was the winning proposal from the RFP by the DC Department of Housing and Community Development. Construction is scheduled to begin in the fall of 2016. Mi Casa is a nonprofit affordable housing developer committed to providing quality affordable housing to low and moderate households in the Washington DC area. www.micasa-inc.org

Luther Place Memorial Church: Luther Place is located in the Logan Circle neighborhood of Washington, DC. Inscape Publico is providing professional architecture services for the renovation of the office and community building adjacent to the Neo-Gothic Church built in 1873. The building is in use almost 24 hours a day, 7 days a week. Luther Place believes that they are living out their faith by providing space for like-minded organizations, neighborhood groups, and special events. www.lutherplace.org

Olney Theatre Center: Located just north of Washington, DC, the Olney Theatre Center offers a diverse array of professional productions year-round that enrich, nurture and challenge a broad range of artists, audiences and students. Inscape Publico will initially re-design the lobby for the main theater to provide an immediate upgrade to their most public space and establish a vision for what is to obtainable for the complete make-over of their 14 acre campus. www.olneytheatre.org

Nest: Nest is committed to the social and economic advancement of the fashion and home industry's informal workforce who comprise the complex supply chains outside of factories. Nest is bringing this underserved global economic engine the unprecedented transparency, data-driven business development, and widespread advocacy that empowers women, alleviates poverty, and preserves traditions of artisanship. Nest is seeking a renovation of their New York offices to be consistent to the modern character and mission of the organization. www.buildanest.org
